TORBEN MOLLER
DENMARK
Y.F.U.

KATHY DICE

MARCH 21, 1953-FEBRUARY 5, 1970

She cared . . . about people. Even in her silence, you had an understanding with her. She expressed her feelings through poetry and music. As a member of the Symphonic Band, she played first chair flute. She won recognition in the State Honor Band. Her wit and sense of humor contributed much to our Bettendorf High School society.

AND NOW "30"

Both silently and thunderously this year has rushed by—leaving in its wake the memories of moments that will never return.

Remember it as a year of progress. The students of Bettendorf High displayed fantastic abilities and talents in the areas of music, art, drama, debate, and sports. In a new conference, Bettendorf athletic teams gave the students something to really cheer about. Club membership and activities increased. The student council planned and worked to achieve one goal after another. Despite the negative outcome of the bond issue, students are still anxious and willing to listen to and work for plans for a new high school.

A sudden fatal accident slapped us into reality, and everyone took one giant step into life.

Pushing and pulling together, we have shaped and molded Bettendorf High School. We have given it life.

And as we step into a new decade, the smiles and tears, and the sorrows of this school year will give us a greater understanding of a changing world.

This book is 1969-1970 in pictures. The pictures are Bettendorf High School. And Bettendorf High School is you.

We would like to thank the following people for their time consuming work which ultimately created this book. Jack Nelson, Judy Vaughan, Kris Kuebler, and Nancy Kendzierski.
